

Blackstone Public Library

Color Theory Charcoal Drawing Class

Create an Apple in Grey Tones

Every Color you can imagine
is made up of several different qualities.

In this class, we explore the color quality
that can exist even without color: "Value"

Join us and create your own Apple artwork
using charcoal and subtractive drawing.

This forgiving technique is a unique
experience and a fun workout for your brain
health as well.

Registration is required and limited to 20
participants.

Sign-ups begin for Blackstone residents on
Monday, September 21.

Sign-ups for all others will begin on
Monday, September 28.

Contact the Blackstone Public Library
at 508-883-1931 to register

This program is sponsored by a
generous donation from UniBank.
