

Saturday, September 27, from 10:00 to 11:00 AM

DNA and Genealogy

with Seema-Jayne Kenney

Voices: A Common Thread

BLACKSTONE PUBLIC LIBRARY
86 Main Street
Blackstone, MA 01504
www.blackstonepubliclibrary.org

This beginner-friendly session explains how DNA testing works, why it's useful, and how to make sense of your results—whether you're just starting or already matched with distant cousins.

Seema-Jayne started in the business of genealogy after completing the Genealogical Research Certificate Program at Boston University's Center for Professional Education in 2010.

Since then, she continued her education via ProGen & NIGR in 2012
