Join staff member Renee Milliken
for the Heritage Book Club on
Thursday, August 28, 2025.

The Town of Blackstone has a rich history of cultural heritage. Each month, a book and food item will highlight one of the many ancestries in our town. Food will be served. Please call ahead for allergy concerns.

August's book choice is "Dust Child," a novel by Nguyễn Phan Quế Mai. Set simultaneously during the Vietnam War and modern day, past and present converge to explore a suspenseful and moving story about family secrets, hidden trauma, and the overriding power of forgiveness.

To register, or for more information, please contact the
Blackstone Public Library at 508-883-1931.

The Heritage Book Club is supported by grant funds from the
Institute of Museum and Library Services under the provisions of the
Federal Library Services and Technology Act as administered by
the Massachusetts Board of Library Commissioners.
