# **SOUTHWICK'S ZOO MOBILE**

**Introduction to  
Animal Ecology**

## **BLACKSTONE PUBLIC LIBRARY**

**86 Main Street Blackstone, MA, 01504**  
**508-883-1931**

Join us at the library for this exciting educational program for all ages!

While this is a live animal event, it is also a lecture.

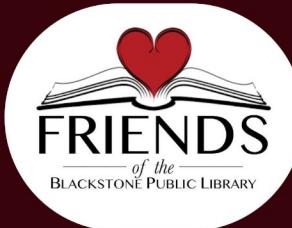

Children must be able to sit throughout the entire program.

This program offers an introduction to animal ecology. With the help of some animal ambassadors, this program will offer an introduction to animal ecology. Explore topics such as: traits used to classify different animals into groups like birds, reptiles, and mammals; types of interactions between animal groups; how animals interact with their environment, and much more!

**This program is in memory of Nolan Campbell.**

Registration is required, and begins Monday, February 23.  
Visit our events page or call to register.

**This event is sponsored  
by the Friends of the  
Blackstone Public Library**
