Taste of the Philippines: A Culinary Journey

Looking to expand your palate?

While Filipino food might not always get the same spotlight as other Asian cuisines, its rich, bold flavors are unlike anything else! With a delicious tapestry of influences—Spanish, Chinese, and American—Filipino cooking is a vibrant fusion of history and comfort.

Join us at the library for an interactive talk and, most importantly, a chance to sample some incredible food.

Menu details are coming soon, but bring your appetite and curiosity!

Registration is required and limited to 20 participants.

Sign-ups begin for Blackstone residents on Tuesday, September 15.
