

Tech Help Sessions

Technology Assistants Matt Marchand and Hannah Rishel offer one-on-one help sessions by appointment.

Sessions are limited to one hour, once per week.

Topics covered can include computer, smart phone, and internet basics; email; and accessing online library services, such as ebooks.

More complex issues such as hardware problems, virus scans, and installing software are not included in the scope of these sessions.

To request a session:

Call the library at 508-883-1931

Email Matt at mmarchand@cwmars.org

Email Hannah at hrishel@cwmars.org

or use the chat function on our website
